

Inseego Appoints Douglas Kahn as EVP of Operations and Customer Success

February 5, 2019

Veteran operations tech executive to drive end-to-end global supply chain and business process

SAN DIEGO--(BUSINESS WIRE)--Feb. 5, 2019-- [Inseego Corp.](#) (Nasdaq: INSG), a 5G and intelligent IoT device-to-cloud solutions pioneer, today announced the appointment of Douglas Kahn as Executive Vice President of Operations and Customer Success, reporting directly to Chairman and CEO Dan Mondor.

"We are delighted to have a skilled tech executive of Doug's caliber on the Inseego team," said Dan Mondor, Chairman and CEO of Inseego. "Doug brings unique expertise and extensive experience in driving innovation in domestic and international supply chain operations. He has a proven track record as a global business leader. The creation of a new senior executive role to lead our global supply chain, business processes and customer engagement aligns with our strategic plan to drive profitable growth. Doug will be instrumental in driving end-to-end supply chain execution from purchase order receipt to customer fulfillment, as well as implementing business processes to reduce cost and improve operational effectiveness. Doug is the right person at the right time to lead global operations; he will play a critical role as we pursue strategic growth objectives with numerous new 5G and IoT cloud products, including developing new markets."

Mr. Kahn brings more than 20 years of supply chain and operations management experience throughout the United States, Asia and Europe. Prior to joining Inseego, he was Vice President of Supply Chain at VISPERO, Inc., a global Vector Capital company. During his tenure with VISPERO, Mr. Kahn restructured three private equity-owned global companies to optimize performance, efficiency and cost structure of their operations in the United States and Asia. Mr. Kahn was Executive Vice President in charge of global operations and customer support at California-based software and storage company Tintri Inc., where he managed rapid growth during the late-stage startup phase with teams in Europe, Asia and the United States. Previously he was Vice President of Global Purchasing and Vice President of Operations for TomTom International BV in the Netherlands where he led strategic sourcing, procurement, partner development and supplier contract negotiations across all business units.

Mr. Kahn has held several additional leadership roles in all major supply chain functions, including Vice President of Supply Chain and IT for Synaptics Inc. Earlier in his career, Mr. Kahn spent 17 years with Hewlett Packard in roles of increasing responsibility in Supply Chain Development and Operations.

Mr. Kahn earned a B.A. from the University of California, Berkeley, an M.S. in Geophysics and an M.B.A. in finance and statistics from the University of Chicago.

"I am proud to join Inseego at the start of a new year and as the company is expanding its global reach into the revolutionary worlds of 5G and Industrial IoT," said Doug Kahn, EVP of Operations and Customer Success at Inseego Corp. "Dan and his team are experienced leaders who are executing the company's global vision for growth. This is an exciting time and I look forward to the next chapter of the company's future."

About Inseego Corp.

Inseego Corp. (Nasdaq: INSG) is an industry pioneer that enables high performance mobile applications for large enterprise verticals, service providers and small-medium businesses around the globe. Our product portfolio consists of Enterprise SaaS solutions and IoT & Mobile solutions, which together form the backbone of compelling, intelligent, reliable and secure IoT services with deep business intelligence. Inseego powers mission critical applications with a "zero unscheduled downtime" mandate, such as asset tracking, fleet management, industrial IoT, SD WAN failover management and mobile broadband services. Our solutions are powered by our key innovations in purpose-built SaaS cloud platforms, IoT and mobile technologies including the newly emerging 5G technology. Inseego is headquartered in San Diego, California with offices worldwide. www.inseego.com #Making5GReal
