

Inseego to Participate in TD Cowen and Stifel Investor Conferences

May 14, 2025

SAN DIEGO, May 14, 2025 (GLOBE NEWSWIRE) -- Inseego Corp. (Nasdaq: INSG) (the "Company"), a global leader in wireless broadband, including 5G mobile broadband and 5G fixed wireless access (FWA) solutions, today announced its participation in the following upcoming investor conferences:

TD Cowen 53rd Annual Technology, Media & Telecom Conference

- **Location:** InterContinental New York Barclay, New York, NY
- **Date:** Wednesday, May 28 at 10:50 a.m. Eastern time
- **Executives:** CEO Juho Sarvikas and CFO Steven Gatoff
- **Webcast:** <https://wsw.com/webcast/cowen179/insg/2029805>

Stifel 2025 Boston Cross Sector 1x1 Conference (Boston, MA)

- **Location:** Intercontinental Boston, Boston, MA
- **Date:** Tuesday, June 3, 2025
- **Executives:** CEO Juho Sarvikas and CFO Steven Gatoff

During these events, Inseego management will share insights into the company's strategic transformation and long-term growth trajectory. Discussions will focus on the company's evolution into an enterprise solutions provider, combining industry-leading wireless hardware with cloud-managed software and services. Management will also highlight key growth drivers, including deepening engagements with Tier 1 carriers and MSOs, and the ongoing expansion of its FWA and MiFi portfolios. Backed by strong gross margins, a streamlined capital structure, and disciplined execution, Inseego is well-positioned to scale profitably and capitalize on the growing demand for high-performance, software-defined wireless connectivity.

About Inseego Corp.

Inseego Corp. (Nasdaq: INSG) is the industry leader in 5G Enterprise cloud WAN solutions, with millions of end customers and thousands of enterprise and SMB customers on its 4G, 5G, and cloud platforms.
