Steve Smith, EVP and CFO

August 7, 2019

Safe Harbor

Safe Harbor Statement

The following presentation contains statements about expected future events that are forward-looking and subject to risks and uncertainties. For these statements, we claim the safe harbor for "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. For a discussion of factors that could cause actual results to differ materially from expectations, please refer to the risk factors described in our filings with the SEC.

Non-GAAP Financial Measures

Non-GAAP gross margins, operating expenses, and earnings per share exclude restructuring charges, share-based compensation expenses, amortization of the debt discount and debt issuance costs associated with our convertible notes, charges related to acquisition and divestiture activities and acquisition-related intangible-asset amortization. This presentation contains references to certain non-GAAP financial measures and should be viewed in conjunction with our press releases and supplementary information on our website (www.inseego.com/investors) which present a complete reconciliation of GAAP and Non-GAAP results.
