Inseego, as the successor registrant to Novatel Wireless, is filing this Post-Effective Amendment pursuant to Rule 414 of the Securities Act of 1933, as amended (the "**Securities Act**"), to reflect an internal reorganization of Novatel Wireless (the "**Reorganization**").

To effect the Reorganization, the Predecessor Registrant formed Inseego and in turn caused Inseego to form Vanilla Merger Sub, Inc., a Delaware corporation and direct, wholly owned subsidiary of Inseego ("**Merger Sub**"). The Reorganization was implemented pursuant to Section 251(g) of the Delaware General Corporation Law (the "**DGCL**"), by the merger of Merger Sub with and into the Predecessor Registrant (the "**Merger**"). The Predecessor Registrant survived the Merger as a direct, wholly owned subsidiary of Inseego and each outstanding share of capital stock of the Predecessor Registrant was converted in the Merger into a share of capital stock of Inseego having the same designations, rights, powers and preferences and the qualifications, limitations and restrictions thereof, as the share of the Predecessor Registrant's capital stock being converted. Inseego is deemed to be the successor issuer of Novatel Wireless under Rule 12g-3 of the Securities Exchange Act of 1934, as amended (the "**Exchange Act**").

Immediately following the Merger, Inseego entered into a Compensation Plan Agreement with Novatel Wireless pursuant to which Inseego assumed all of Novatel Wireless's rights and obligations under all of its employee benefit plans, agreements and arrangements, equity incentive plans and sub-plans and related agreements, including obligations with respect to the outstanding shares pursuant to the ESPP, the 2000 Plan, the 2009 Plan and the 2015 Plan (collectively, the "**Plans**"). No shares remain authorized for future grants, and no unexercised grants remain outstanding, under the 1997 Plan.

In accordance with paragraph (d) of Rule 414 of the Securities Act, Inseego hereby expressly adopts the Registration Statements as its own registration statements (except as specifically amended by this Post-Effective Amendment) for all purposes of the Securities Act and the Exchange Act, as updated by subsequent filings under the Exchange Act. No changes are being made hereby to the prospectuses which form a part of the Registration Statements.

PART I

Item 3. Incorporation of Documents by Reference.

The following documents, which have been filed with the Commission pursuant to the Exchange Act are hereby incorporated by reference, and shall be deemed to be a part hereof:

(f) The description of Inseego's common stock, par value \$0.001 per share, contained in Inseego's Current Report on Form 8-K dated November 9, 2016, which updates the description of the Common Stock contained in Novatel Wireless's Registration Statement on Form 8-A filed with the Commission on September 29, 2000, including any amendments or reports filed for the purpose of updating such description.

All documents filed by Inseego pursuant to Sections 13(a), 13(c), 14 or 15(d) of the Exchange Act prior to the filing of a post-effective amendment which indicates that all securities offered have been sold or which deregisters all securities then remaining unsold, are incorporated by reference in the Registration Statements and are a part thereof from the date of filing of such documents; except as to any portion of any future annual or quarterly report to stockholders or document or current report furnished under current Items 2.02 or 7.01 of Form 8-K that is not deemed filed under such provisions.

Any statement contained in a document incorporated or deemed to be incorporated by reference herein shall be deemed to be modified or superseded for purposes of the Registration Statements to the extent that a statement contained herein or in any other subsequently filed document which also is or is deemed to be incorporated by reference herein modifies or supersedes such statement. Any statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of the Registration Statements.

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

Section 145(a) of the DGCL provides that a Delaware corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that such person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation or enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful.

Section 145(b) of the DGCL provides that a Delaware corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that such person acted in any of the capacities set forth above, against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection with the defense or settlement of such action or suit if he or she acted under similar standards, except that no indemnification may be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the court in which such action or suit was brought shall determine that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to be indemnified for such expenses which the court shall deem proper.

Section 145 of the DGCL further provides that: (i) to the extent that a present or former director or officer of a corporation has been successful on the merits or otherwise in the defense of any action, suit or proceeding referred to in subsections (a) and (b) or in the defense of any claim, issue or matter therein, such person shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him or her in connection therewith; (ii) indemnification provided for by Section 145 shall not be deemed exclusive of any other rights to which the indemnified party may be entitled; and (iii) the corporation may purchase and maintain insurance on behalf of any present or former director, officer, employee or agent of the corporation or any person who at the request of the corporation was serving in such capacity for another entity against any liability asserted against such person and incurred by him or her in any such capacity or arising out of his or her status as such, whether or not the corporation would have the power to indemnify him or her against such liabilities under Section 145.

Our amended and restated bylaws provide indemnification of our directors and officers to the maximum extent permitted by the DGCL. In addition, we have entered into indemnification agreements with our directors and officers, and we maintain insurance policies insuring our directors and officers against certain liabilities that they may incur in their capacity as officers and directors of Inseego.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 8. Exhibits.

The Exhibits to this Post-Effective Amendment are listed in the Exhibit Index on page 8 and are incorporated by reference herein.

Item 9. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if this Registration Statement is on Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(h) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of the expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, as amended, the registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing this Post-Effective Amendment to Form S-8 and has duly caused this Post-Effective Amendment to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of San Diego, State of California, on this November 8, 2016.

The Company is the successor to the Predecessor Registrant as a result of an internal reorganization of the Predecessor Registrant that occurred on November 8, 2016 (the “Reorganization”). To effect the Reorganization, the Predecessor Registrant formed the Company and in turn caused the Company to form Vanilla Merger Sub, Inc., a Delaware corporation and direct, wholly-owned subsidiary of the Company (“Merger Sub”). The Reorganization was implemented pursuant to Section 251(g) of the Delaware General Corporation Law (the “DGCL”), by the merger of Merger Sub with and into the Predecessor Registrant (the “Merger”) pursuant to the terms of that certain Agreement and Plan of Merger, dated November 7, 2016, by and among the Company, the Predecessor Registrant and Merger Sub.

The Predecessor Registrant survived the Merger as a direct, wholly-owned subsidiary of the Company and each outstanding share of capital stock of the Predecessor Registrant was converted in the Merger into a share of capital stock of the Company having the same designations, rights, powers and preferences and the qualifications, limitations and restrictions thereof, as the share of the Predecessor Registrant’s capital stock being converted.

Immediately following the Merger, the Company assumed all of the Predecessor Registrant’s rights and obligations under all of its employee benefit plans, agreements and arrangements, equity incentive plans and sub-plans and related agreements, including all obligations with respect to the shares of capital stock issuable or to be issued pursuant to the ESPP, the 2000 Plan, the 2009 Plan and the 2015 Plan (collectively, the “Plans”).

In accordance with paragraph (d) of Rule 414 under the Securities Act of 1933, as amended (the "Securities Act"), the Post-Effective Amendment is being filed by the Company, as the successor registrant to the Predecessor Registrant, to expressly adopt the Registration Statements as its own registration statements for all purposes of the Securities Act and the Securities Exchange Act of 1934, as amended. The Registration Statements, as amended by the Post-Effective Amendment, relate to the offer and sale by the Company of shares of the Company's common stock, \$0.001 par value per share, remaining to be issued under the Plans (the "Shares").

As such counsel and for purposes of our opinion set forth herein, we have examined and relied upon originals or copies, certified or otherwise identified to our satisfaction, of such documents, resolutions, certificates and instruments of the Company, certificates of public officials and such other instruments and documents as we have deemed necessary or appropriate as a basis for the opinion set forth herein, including, without limitation:

- (i) the Registration Statements and Post-Effective Amendment;
- (ii) organizational documents of the Predecessor Registrant and the Company;
