## Novatel Wireless 4G LTE MiFi Awarded CES Best in Show from Notebooks.com

### New MiFi 4620L on Verizon's Blazing Fast 4G Network Awarded Best Notebook Accessory at CES 2012

SAN DIEGO, Jan. 25, 2012 /PRNewswire/ -- [Novatel Wireless, Inc.](http://www.novatelwireless.com) (Nasdaq: NVTL), a leading provider of intelligent wireless solutions, today announced that [Notebooks.com](http://www.notebooks.com) has awarded the new [Verizon Jetpack™ 4G LTE MiFi@ 4620L](http://www.novatelwireless.com) Intelligent Mobile Hotspot the [Best of CES 2012](http://www.ces.com) award in the category of Notebook Accessories.

The MiFi platform represents the industry's first Intelligent Mobile Hotspot, a new category of mobile broadband devices that lets users put their world of content, services and connectivity in the palm of their hand. The MiFi platform, now with 4G mobile broadband speeds, creates a personal cloud of high-speed Internet connectivity that can be easily shared among multiple users and up to 10 Wi-Fi enabled devices, such as laptops, notebooks, tablets, gaming devices and multimedia players. The MiFi Intelligent Mobile Hotspot serves as an open platform capable of hosting advanced software applications and is flexible enough to address the continued evolution of mobile broadband.

With the new MiFi 4620L, users can now access blazing fast mobile broadband conveniently when traveling worldwide, as the device is compatible with several international networks. With the new interactive OLED display screen, users can easily scroll to view battery life, check signal strength, check the number of connected devices, read text messages, view network details, access the device's password and more. The MiFi 4620L is the first product to support GPS over Wi-Fi, enabling applications to access streaming GPS (NMEA) services wirelessly. The MiFi 4620L is the next generation in the Novatel Wireless MiFi Intelligent Mobile Hotspot portfolio for Verizon Wireless, built on award-winning innovation and design, proven performance and industry leading user experience.

"We are honored to have the latest in the 4G MiFi Intelligent Mobile Hotspot product line recognized for its unrivaled speed, functionality, flexibility and convenience," said Rob Hadley, CMO of Novatel Wireless. "This award highlights Novatel Wireless' ongoing commitment to delivering the most innovative mobile broadband solutions to our customers with a focus on performance, ease-of-use, added functionality and industrial design."
